Signature:

1 Payment mode: payment can be made by bank card or by AMERICAN EXPRESS (distance payment available).

2 The order will be processed only after payment has been received. Depending on the option selected, the OTM (or Office de Tourisme Métropolitain Nice Côte d'Azur) will send the passes with an invoice or a voucher

that will enable you to pick up the passes with an invoice.

3 Sale to the user: the recommended sales price is the price to the general public applied by the OTM.

4 the FRP transport cards include a FRP and a special transport card of the same duration. The transport cannot be sold separately.

It must be accompanied by the FRP of the same duration. Both cards must be produced in the event of an inspection on the transport network.

5 In case of difficulties: the Office de Tourisme Métropolitain Nice Côte d'Azur will exchange the passes, but will not refund them. 6 Cancelled/unsold passes: in case of cancellations, the entity that purchased the passes - not the user - will be reimbursed.
